

# Nightlife

Victoria has an active nightlife. From quiet spots to grab a drink late at night to loud clubs, pubs and trendy little joints we've compiled a small list to get you started:

## Nightclubs: Prism

642 Johnson Street 388-0505 [www.prismlounge.com](http://www.prismlounge.com)  
Victoria's gay club hosts ultra-sassy drag nights and regular club nights with the queerest selection of techno and disco ever, they also hold the best karaoke night in town, ever.

## Lucky Bar

517 Yates Street 382-5825 [www.luckybar.ca](http://www.luckybar.ca)  
Definitely a local favourite, Lucky boasts a supremely killer sound system with massive bass drivers, rad live music almost every night, with house music Saturday nights.

## Hush

1325 Government Street 385-0566  
If you like loud dance music and you like electronics, this is the place for you. You'll find sultry girls, funky dudes, some nice pool action, back lit with dramatic red lights, and tons and tons of techno, house, and best of all, wicked cool drum n bass--all with a queer-friendly atmosphere.

## Hermann's Jazz Club

1325 Government Street 385-0566 [hermannsjazz.com](http://hermannsjazz.com)  
Near the corner of Blanshard and View, you can enjoy Jazz music in this well-established pub-style restaurant. It's the place to go for Jazz in Victoria.

## Steamer's

1325 Government Street 385-0566 [www.steamerspub.ca](http://www.steamerspub.ca)  
If you like loud dance music and you like electronics, this is the place for you. You'll find sultry girls, funky dudes, some nice pool action, back lit with dramatic red lights, and tons and tons of techno, house, and best of all, wicked cool drum n bass--all with a queer-friendly atmosphere.

One of the staples of the local indie music scene, Logan's

# Nightlife

## Legends

919 Douglas Street 383-7137 [legendsnightclub.com](http://legendsnightclub.com)  
This is a bangin' top 40 bar. A warning: if you're not into dodgy guys looking to pick up, sassy girls determined to get as drunk as possible, and one top 40 anthem after another on shuffle play with no mixing, this is hell.

## Evolution

502 Discovery Street 388-3000  
This place is famous for its cheap drinks and has no cover charge before 10 pm. Each night of the week has a different theme i.e. Heavy metal Mondays, Retro Wednesdays--definitely a good place to dance it up but keep an eye out for the sometimes-sketchy crowd.

## Sugar

858 Yates Street 920-9950  
Sugar was *the* place to be. Then it closed. Then it opened for special events only. Now it's open regularly! It bounced back with the flair it had once before and is again bumping every Saturday night! They tend to play more hip hop and top 40 these days. If that's your thing, you should give this place a check out.

## Plan B

[www.PlanBNightCLub.ca](http://www.PlanBNightCLub.ca)  
858 Yates Street 920-9950  
This is definitely a place to see, be seen, and get toasted and roasted. They also happen to have Canada's only LED fully controlled lit dance floor. Watch out for dress codes, and don't piss off the bouncers!

## The Boom Boom Room

858 Yates Street 920-9950  
It's a strange scene down there. Lots of commercial hip hop, lots of sketchy teenagers getting drunk and kicking it. They have things like Ladies Nights, freestyling competitions... and we should say, the room itself is quite swanky. If you're thinking of going to the Boom Boom Room, first wander around the corner of Government and Yates - there's often sketchy-looking dudes there who will hook you up with a stamp that will get you in free.
